

Tom Boden Memorial Sports Trust

Annual Report

The Sports Trust has had a year of consolidation, continuing to be involved in Village activities including Denstone Factor, the Jubilee Celebrations, All Saints Church Flower Festival and the Village Show.

The main expenditure this year has been the refurbishment of the Pavilion for the Bowls and Tennis Clubs, which we hope will continue to provide facilities for the village for many years to come.

The members of the Trust would like to thank all members of the Bowls Club, Tennis Club and Denstone Youth Fund for maintaining the whole site of the Green, Courts and Junior Play Area in such pristine condition in what has been a very difficult year due to the weather.

The disappointment for the year has been the disbanding of the Roberts Green committee which looked after the Open Space on Oak Road. If anybody is interested in helping to maintain Roberts Green and/or organising activities of a recreational nature, please could you contact any of our Trustees or our Secretary, Mrs. Laurie Beckett. Contact details are available from the village website. Roberts Green is an amenity provided by the Trust for the village to use.

Finally, as Chairman, I would like to offer my thanks to all of the Trustees and members for their efforts and support during the last year.
